Updates and Reminders

Bunker Project: The bunker project is moving along at a decent pace. The Maverick Design Group is now on the front nine after completing the greenside bunkers on the back nine. We'll continue to play lift clean and place in the bunkers as we allow the new sand to settle a bit and the crew to finish the front nine.

Spill Valves: The valves that minimize salt water intrusion into our irrigation water have arrived. The next phase is for a construction crew to fit the valves into the spillway on hole #12. During the week they work, there will be a potential disruption to play, as #12 will not be passable at times. The staff at Snee Farm will work on the logistics of play during those times. We are extremely excited to have this project implemented and hope to see some positive impacts to the health of the course over time as we flush away the salts from the soil. We expect this will take time, but fresh water will be a welcome relief to our grasses and trees.

Reminders: Beginning on April 1, golfers must pair up in Snee Farm golf carts when applicable. In addition, on weekends, we may begin pairing up groups of less than 4 as a courtesy to our members who also want to play during premium time frames.

Cancellation Policy: We are asking members to cancel or edit tee times at least 24 hours in advance as a courtesy to the membership. No showing, or 'short showing' (coming with less players than the tee time is made) may result in fines for multiple offenses.

We're expecting a beautiful spring and therefore a busy one! If we are all mindful, we can maximize the benefits for the entire membership. Thanks.

Now go PLAY GOLF! Stop THINKING golf swing!!!

have tee times on Wednesday mornings.
We welcome any golf member who would like to try us out**

The Snee Farm Country Club would like to welcome the Snee Farm Swim Team back to the pool deck for the 2021 season. In its 50th summer, the hallmark of this amazing team is its rich culture and positive environment with something to offer everyone from the most dedicated young swimmer to the wonderful swimmer/mentors that help lead the team.

Questions? Email the team reps at: sfstreps@gmail.com

The SFCC Pool is looking for responsible, conscientious, positive young people to be part of our lifeguard staff for the 2021 pool season. Must be certified lifeguards (minimum of 15 yrs old) with a strong work ethic and a readiness to learn, to have positive interaction with members and guests, and to enjoy a great work environment with peers. Please contact Stephanie Davey with questions and/or interest:
(843) 442-3457
runfarandfast@comcast.net

**A quick update from:
Coach Mike and Coach Craig**

We are almost done with our resurfacing project and the courts look fantastic! We've redone all of the hard courts & added 6 brand-new pickle ball courts behind the clubhouse. *The year's first tennis social was sold-out and we have our next one on April 18th at 1pm.* (Please see the fliers below.)

Our adult league teams are about to make the state championships, and this weekend several of our juniors won their local tournaments, while another group is headed off to California for the nationals. We're also hosting our annual summer camp again this year so please call Coach Rich Shy to sign up. Snee Farm Tennis is back in force and we're just getting started!

In the next few weeks, we'll address courts 11-12 in preparation for turning them into clay courts. We're adding an ice-water dispenser in the clubhouse so we won't have to drink out of coolers anymore. Landscaping efforts will continue throughout the grounds & we will replace the windscreens for aesthetic improvements. And yes, it's true, we're hiring someone to be at the front desk during most tennis-playing hours. Hooray! We hope you like what is happening at the club & we invite your feedback on how we can keep improving as we move forward.

Looking forward to seeing you all out on the courts this season!

Best,
Mike and Craig
